Thanks for choosing to Partner with the Valley Agricultural Society

The Valley Agricultural Society (VAS) is a not-for-profit, volunteer-based organization. Originally formed in 1895 as an agricultural fair, it wasn't until 1964 that we added our flagship event, the Manitoba Stampede & Exhibition. The VAS has the primary goal of promoting an increased awareness of the importance of the agricultural sector in rural communities as well as providing leadership in the region for the development and enhancement of partnerships for tourism and Agri-tourism. Today, the Manitoba Stampede & Exhibition is still Manitoba's only professional rodeo! In 2017 the VAS premiered Rumble in the Valley, which has become Manitoba's largest truck and tractor pull. These events have become fan favourites, drawing large crowds from all over Southern Manitoba, and the world!

The VAS offers a unique way to market and promote your business while enhancing your visibility. Our grounds are at the heart of our community and hosts multiple events throughout the year.

The VAS understands the importance of community and working together, therefore we have restructured our partnership opportunities by including packages to better suit the needs of our Partners. The VAS strives to provide partnership packages that are mutually beneficial and our marketing team is eager to develop a variety of customized Partnership packages.

We look forward to partnering with you!

Sincerely,

The Valley Agricultural Society Board of Directors

Valley Agricultural Society Events:

Manitoba Stampede & Exhibition: As our flagship event, the Manitoba Stampede sees over 35,000 spectators come to the grounds. The Manitoba Stampede is Manitoba's only professional rodeo and brings crowds from all over the world including spectators from Germany, Netherlands and the United States. The Manitoba Stampede & Exhibition was honoured to be Nominated and Named the 2023 Manitoba Country Music Awards Dauphin's Countryfest Festival or Event of the Year.

Rumble in the Valley: Started in 2017, this event has grown to be the largest Truck and Tractor Pull in Manitoba. 2023 saw the addition of the Pro/Am Strongman Competition. With Concessions, Monster Truck Rides, Car Show and Beer Gardens this is a growing event!

Community Events:

- Winter Carnival
- Public Outdoor Skating Rink
- Toboggan Hill
- Canada Day Celebrations
- Stampede Kick Off
- And Much More

Rental Facility: In addition to VAS and community events, our grounds are available to rent year-round. Over the years we have hosted fundraisers, weddings, funerals, graduation parties, and family reunions. The VAS has been instrumental in attracting facility rentals such as demolition derbies and music festivals. An added attraction is the Stampede Park Campground located west of the Stampede Grounds.

During our off season we also offer indoor winter storage for boats, small trailers and vehicles.
